

Invitation to the industrial exhibition

Dear exhibitors and sponsors,

The 11th DVR Congress will take place in Muenster, Germany, from November 27 – 29, 2025 at the Messe & Congress Centrum, Halle Muensterland: in addition to an exclusive conference venue, the umbrella organisation of reproductive physicians also offers an innovative sponsoring concept.

You can choose a tailored-made package for your company and expand it with additional sponsorship services.

You are welcome to contact us for further individual sponsoring services at any time. The basis for participation is our GTC and the conditions of participation for the trade exhibition. Please find the GTC of bsh medical communications GmbH at:

<https://www.medical-communications.de> for your information. Please note that your company can only become a sponsor as an exhibitor. The prices quoted do not include VAT at the current rate of 19%. For limited services the principle “first come / first served” applies (subject to availability).

We would be very pleased to welcome you as an exhibitor and/or sponsor in Muenster next year.

With best regards also on behalf of the conference presidents of the DVR Congress

Your team from bsh medical communications GmbH
