On the occasion of the **12th DVR Congress 2027** (03–05 November 2027), the German Society for Reproductive Biology and Medicine is pleased to offer not only an exclusive congress venue — the congress centrum weimarhalle in Weimar — but also an innovative sponsorship concept.

You will have the opportunity to choose from a wide range of sponsorship packages and exhibition spaces tailored specifically to your company's needs, with the option to further enhance your presence through additional sponsorship opportunities.
