

General Information

Scientific Chair

Professor Lars Wojtecki, MD

University Hospital Dusseldorf
Institute of Clinical Neurosciences and Medical Psychology
Moorenstr. 5
40225 Dusseldorf, Germany

Participants

150 expected participants

Young and established neurologists, researchers and
Industry partners – exchanging knowledge, discussing
evidence and exploring innovation in brain health.

**International, high ranked audience from neurology,
psychiatry and neuroscience.**

Preliminary Agenda

Day 1 – Industry Day

Introduction to Shockwave Technology & TPS

- Hands-on TPS experience
- Industry contributions/presentations
- Industry hands-on workshops

Day 2 – Scientific Program

- Scientific lectures and sessions
- Clinical and research-focused content
- Poster sessions (2 x 10 posters)

Final program schedule will be published soon.

Exhibiting at the International TPS Conference provides direct access to:

- A highly relevant and specialized neurology audience
- Key opinion leaders and clinical decision makers
- International networking opportunities
- A focused environment with strong engagement and visibility

This is a unique opportunity to position your brand as a supporter of:

- Innovation in neurology
- Clinical progress and education
- Scientific exchange and collaboration
