

Virtual meeting November, 2020

Program Directors:
Norbert Gattermann, MD, PhD
Ulrich Germing, MD, PhD

Heinrich Heine University
Dept. of Hematology/Oncology
Dusseldorf, Germany

A microscopic image of blood cells, showing several red blood cells (erythrocytes) and a few white blood cells (leukocytes) with distinct nuclei. The background is a light orange or yellowish hue.

ADVANCED WORKSHOP ON
MYELODYSPLASTIC
SYNDROMES

Lectures on demand from **November 6-13, 2020**

by <https://mds-workshop.on-demand.events>

Epidemiology of MDS
Ulrich Germing

Diagnostic criteria and
classification of MDS
Ulrich Germing

Assessment of prognosis in
MDS
Kathrin Nachtkamp

Prognostic classification of
MDS based on cytogenetics
Julie Schanz

Genetic evolution in MDS
Detlef Haase

What's the deal with del(5q)?
Aristoteles Giagounidis

Mechanisms of ineffective
hematopoiesis in MDS
Norbert Gattermann

Histopathology of MDS
Martina Rudelius

Altered bone marrow stroma
in MDS
Stefanie Geyh

Influence of comorbidity
factors on MDS prognosis
Esther Schuler

Growth factors in patients
with MDS – Erythropoiesis
stimulating agents and G-CSF
Christina Rautenberg

Iron chelation therapy in
patients with MDS
Norbert Gattermann

Bleeding in MDS
Judith Strapatsas

TPO analogs
Jennifer Kaivers

Molecular MDS diagnostics
Thomas Schroeder

Epigenetic treatment of MDS
Andrea Kündgen

Allogeneic transplantation for
MDS
Guido Kobbe

Treatment algorithm for
MDS?
Norbert Gattermann &
Ulrich Germing

Virtual meeting **Friday November 13, 2020**

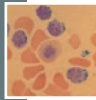

09.00	Q & A to epidemiology, pathogenesis, diagnostics, prognosis* Norbert Gattermann, Ulrich Germing, Stefanie Geyh, Detlef Haase, Kathrin Nachtkamp, Martina Rudelius, Julie Schanz, Thomas Schroeder, Judith Strapatsas
10.30	Discussion: Clinical cases with lower-risk MDS – submitted by workshop participants
11.30	Break
12.00	Q & A to erythropoiesis, therapy molecular diagnostics, epigenetics, treatment algorithm, allogeneic transplantation* Norbert Gattermann, Ulrich Germing, Aristoteles Giagounidis, Jennifer Kaivers, Guido Kobbe, Andrea Kündgen, Christina Rautenberg, Esther Schuler
13.30	Discussion: Clinical cases with higher-risk MDS – submitted by workshop participants
approx. 14.30	closing remarks

* *speakers of these topics will be available as well as the scientific committee in the same virtual room as participants*

Subject to change without notice, status October 5, 2020

Faculty

Norbert Gattermann, MD, PhD, University Hospital Dusseldorf, Germany
Ulrich Germing, MD, PhD, University Hospital Dusseldorf, Germany
Stefanie Geyh, Dr. Sc. nat., University Hospital Dusseldorf, Germany
Aristoteles Giagounidis, MD, PhD, Marien Hospital Dusseldorf, Germany
Detlef Haase, MD, PhD, University Hospital Gottingen, Germany
Jennifer Kaivers, MD, University Hospital Dusseldorf, Germany
Guido Kobbe, MD, PhD, University Hospital Dusseldorf, Germany
Andrea Kündgen, MD, University Hospital Dusseldorf, Germany
Kathrin Nachtkamp, MD, University Hospital Dusseldorf, Germany
Christina Rautenberg, MD, University Hospital Dusseldorf, Germany
Martina Rudelius, MD, PhD, LMU University Munich, Germany
Julie Schanz, MD, University Hospital Gottingen, Germany
Thomas Schroeder, MD, University Hospital Dusseldorf, Germany
Esther Schuler, MD, University Hospital Dusseldorf, Germany
Judith Strapatsas, MD, University Hospital Dusseldorf, Germany

Ulrich Germing, MD, PhD

EDUCATION AND EXPERIENCE

- 1986 – 1992 • Medical school at Heinrich Heine University, Dusseldorf, Germany
- 1992 • Approbation as physician
- 1992 – 1999 • Resident at the Department of Hematology, Oncology and Clinical Immunology, Heinrich Heine University, Dusseldorf, Germany
 - Doctoral thesis (magna cum laude): “Comparison of different prognostic scoring systems for patients with primary and secondary MDS”
 - Rotational training at Heinrich Heine University, Dusseldorf, Germany

CERTIFICATIONS

- Board Certification Internal Medicine (Arztekammer Nordrhein, Dusseldorf, Germany)
- Habilitation /Lecturer in Internal Medicine at Heinrich Heine University, Dusseldorf, Germany
- Board Certification Hematology /Oncology (Arztekammer Nordrhein, Dusseldorf, Germany)
- Vice-Head, Dept. of Hematology, Oncology and Clinical Immunology, Heinrich Heine University, Dusseldorf, Germany (Chair: Prof. Dr. Rainer Haas)

Norbert Gattermann, MD, PhD

EDUCATION AND EXPERIENCE

- 1978 – 1981 • Medical school at Heinrich Heine University, Dusseldorf, Germany
- 1981 – 1982 • Studies at Royal Free Hospital School of Medicine, London, UK
 - Clinical courses at Massachusetts General Hospital, Harvard Medical School, Boston, USA
- 1984 – 1985 • Medical School at Heinrich Heine University, Dusseldorf, Germany
 - Fellow of German National Scholarship Foundation
- 1985 • Approbation as physician
- 1986 – 1998 • Resident at the Department of Hematology, Oncology and Clinical Immunology, Heinrich Heine University, Dusseldorf, Germany
 - Doctoral thesis (summa cum laude):
“Two types of acquired idiopathic sideroblastic anemia”

CERTIFICATIONS

- Board Certification Internal Medicine (Arztekammer Nordrhein, Dusseldorf, Germany)
- Habilitation /Lecturer in Internal Medicine, Heinrich Heine University, Dusseldorf, Germany
- Senior Lecturer, Dept. of Hematology, Oncology and Clinical Immunology, Heinrich Heine University, Dusseldorf, Germany
- Board Certification Hematology /Oncology (Arztekammer Nordrhein, Dusseldorf, Germany)
- Professor of Internal Medicine, Heinrich Heine University, Dusseldorf, Germany
- Consultant, Dept. of Hematology, Oncology and Clinical Immunology, Heinrich Heine University, Dusseldorf, Germany
- Director, University Cancer Center, Heinrich Heine University, Dusseldorf, Germany

Useful information

- Contact/help** Brigitte Soubusta-Hoppe, bsh medical communications GmbH
Phone: +49 211 77 05 89 10 · Cell: +49 172 21 28 605
bsh@medical-communications.de
- CME Points** The organizing secretariat has applied for CME accreditation.
The application is being processed.
- *Sponsorship** The workshop will be sponsored by Novartis Pharma AG
with € 35.735,–
Sponsoring amount is published due to transparency obligations.
The amount will be used for organization and performing of the event.
